AZRM 46 Ariel Morris Built by the Budd Company as one of six cars in lot number 9662
- 026 to Pullman plan 9503.
 The order was entered in March of 1946 and delivered in August of 1949.
 This car entered service on the Silver Meteor between New York City and
Miami.
 The car was named "West Palm Beach" and also number 42 on the
Seaboard.

When the Seaboard Air Line and the Atlantic Coast Line merged the car was renumbered to 6627.

The car went to Amtrak in 1971 and became number 2704 still retaining the name.

Retired in 1986 and held at Beach Grove, the car was purchased from Amtrak in 1992.

4363 baggage-express Pikes Peak Historical Street Railway Foundation. Was SP 6777
